

## Track Expectations

The school board recognizes the role that athletics plays in the total educational program. Interscholastic athletics is an outgrowth of the physical education and intramural programs and should provide opportunities for participation in a wide variety of sports. Interscholastic athletics shall provide an educational example of the worth of hard work, physical conditioning, discipline, teamwork, competition and sportsmanship. These programs are a valuable part of the total educational experience, participation in after school programs is a **privilege** and not a right. **Track officially starts on March 19, 2018.** Because track is an individual and a team sport, we need every player to be committed to at least one event. It is important that all students participating in track are in good standing: academically, behaviorally, and athletically. Students are expected to report directly to the gym – no socializing outside at school dismissal. The following expectations need to be followed, if you plan to be a dedicated athlete to the team.

### **Academic Eligibility Expectations for Try-outs:**

- Students must have **passing grades in all classes** at the time of track season, March 19, 2018. Grade reports to determine eligibility for try-outs will be determined on March 19, 2018 so all academic work needs to be graded and posted no later than March 16, 2018.
- Students who receive a referral from February 6 thru March 19, 2018, resulting in **Out-of-School Suspension will not participate in the track season.**
- Students who receive a referral from February 6 thru March 19, 2018, resulting in In-School Suspension, based on the severity and reoccurrence of the behavior will be reviewed by the principal and dean to determine eligibility to try-out.

### **School Expectations for Team Players:**

- Report directly to the gym on practice and game days – no socializing outside at school dismissal.
- Any player with an F in any class will attend afterschool tutoring or complete school work in the gym for an hour before suiting up for practice.
- Any player with an F in any class will not be allowed to play. Teachers are not required to grade late work turn in the 'day' of the game.
- Any player who receives a referral resulting in In/Out-of-School Suspension will sit out one game per violation.
- Any player who receives a referral resulting in In-School Suspension **will be** expected to sit on the bench during his suspended game, but not suit up.
- Any player who receives a referral who's Out-of-School Suspension is on the day of a game is not allowed on school property thus will not be expected to attend the game.
- Any player who receives a referral who's Out-of-School Suspension is before the day of a game **will be** expected to sit on the bench during his suspended game, but not suit up.

have read the above expectations.

Student Signature	Date	Parent Signature	Date
