Because of the excessive number of days absent, we are requesting a written medical excuse from a licensed physician, dentist, chiropractor, optometrist, or other practitioner authorized by law for all future absences. If we do not receive such notification we will mark your child as truant. The written excuse would be a violation of the law.

Because of our concern regarding _____ absences we would like to meet with you to discuss this situation, review program options, and work together to resolve this problem.

Please contact your child's school counselor to set up an appointment.

According to Wisconsin State Law and Municipal Ordinances in both the City of Kenosha and the Village of Pleasant Prairie, students who have been found to be habitually truant shall be subject to any of the following dispositions which are deemed available to the Courts:

Compulsory School Attendance Law:

118.15(1)(a) Any person having under their control a child who is between 6 and 18 years shall cause the child to attend school regularly during the full period and hours, religious holidays excepted, that the public or private school in which the child should be enrolled is in session....

(3)(a) The school attendance officer may request the parent or guardian of the child to obtain a written statement from a licensed physician, dentist, chiropractor, optometrist, or psychologist or Christian Science practitioner...as sufficient proof of the physical or mental condition of the child.
