The purpose of this letter is to notify you in writing that your child has an excessive tardiness problem. The doors open at 8:25 a.m. and school starts at 8:35. Students need to be in their classrooms by 8:35. Under Wisconsin statute "truancy" means any absence of part of all of one more days from school without the parent/guardian notifying the school of the acceptable cause of the absence.

Because of the excessive tardiness of your child we are informing you that it is your responsibility to ensure your child's school attendance. Failure to do so will be a violation of the law. Municipal citations and/or court action may be imposed if your child fails to attend school regularly. We would like to reassure you that your child will be permitted to make up school work, and receive full credit once he/she returns to school.
