Dear Parents/Guardians:

By the end of January, your middle school student, with your guidance, will need to make a decision regarding his/her high school career. If attending a KUSD high school next year, your student will need to choose the right high school for them. The enclosed High School Selection Form is due to the selected high school on or before January 30, 2009.

Your student may choose to attend the high school in your attendance area (Bradford or Tremper) or they may choose to attend Lakeview Technology Academy, Indian Trail Academy, Harborside Academy, Kenosha eSchool or Reuther Central High School. However, it is important to note that once a decision is made, a one-year commitment to that school is required. Transfers will only be allowed after a full year of attendance and must be requested during the guidance transfer window in January of 2010.

Informational meetings relating to all the choice high schools will be held on Tuesday, Dec. 9, 2008, from 7:00 p.m. to 8:00 p.m. at Bullen Middle School and on Thursday, Dec 11, 2008, from 7:00 p.m. to 8:00 p.m. at Lance Middle School. This is a great opportunity to obtain information regarding all of the wonderful choices that our district has to offer.
