Washington, D.C. Fundraiser - Mahone Discount Cards

Our first fundraising opportunity is here. Registered DC participants will be selling Mahone Discount Cards. The cards will sell for $15 and include offers from local businesses such as Jimano's Pizzeria, Famous Dave's, and Texas Roadhouse. For each card sold, the participant will earn $10 toward the cost of the trip.

During the week of November 2, each participant who brings in a check for $75 will receive 5 cards to sell. Participants wishing to sell more than 5 cards will be able to get additional cards ($15 per card) on a first come, first serve basis from their Social Studies teacher. Sales of the Mahone Discount Cards will end on November 20. Profits from the sales will then be credited to each participant directly through EF, our tour company.

Here are the details:

1. Cards are in bundles of 5 for $75 for initial purchase.
2. Additional cards can be purchased individually – first come, first serve.
3. Participants will earn $10 profit per card.
4. Cards must be sold by November 20.
5. The initial purchase of $75 covers the cost of the card and profit.
6. Selling the cards to family/friends recovers the initial expense.

While we are not requiring anyone to sell anything, we are hoping each participant will sell 5 cards. This is an opportunity to reduce the cost of the trip by $50 (or more) – even if your trip is already paid in full (the overage will be refunded to you from EF before departure).

If you choose not to participate in this fundraiser, please contact your student’s Social Studies teacher so cards can be dispersed to others. If you have questions, please contact your student’s Social Studies teacher.
